Alyssa McCarty

Alyssa McCarty was a 9th grade student at Great Hills Christian School before it merged with Cornerstone Christian to form Summit Christian Academy. Alyssa fought cancer finally losing her battle with it and passing away."

In her honor her family started a scholarship fund to award to a rising Sophomore in their daughter's honor. A memorial garden was created in the back of building 1 with a plaque honoring Alyssa. Having participated in this memorial/award ceremony for the past 5 years, we have learned that Alyssa was a beautiful, kind and full-of-life follower of Christ. Even as life was being taken from her, she spoke life to those around her.

April 18th was Alyssa McCarty day at Summit Christian Academy. Mrs. McCarty was present to celebrate her with our secondary students, and to award the winner of this year's Alyssa McCarty scholarship: Chase Jordan.

School Safety

As I think about the children God has put under our care at Summit, and the partnerships we have forged with our parents, I am reminded of Moses at the Burning Bush. When he approached the bush, God was in it, and he was commanded to remove his sandals. The actual words God used were, "Take off your sandals, for the place where you are standing is holy ground."

In a very real sense, working with your children is holy ground. We know that God's purposes for each of them is holy, and that we are privileged to be part of what he is doing. We are part of God's bigger plan and purposes for your children. A very important part of that purpose deals with safety. As I mentioned in my last article, the board has considered, and is implementing, a school marshal program at Summit. It is our desire to provide an immediate response in the event a perpetrator should enter our campus with the intent to do harm.

In August of 2017 the State Legislature amended the state penal code giving private schools the authority to provide such services to their constituents in an effort to add an additional level of security to their students and employees. We purpose to provide the highest level of safety possible to our families.

Summit graduate serves with U.S. Navy in Japan

SASEBO, Japan – A Cedar Park native and 2009 Summit Christian Academy High School graduate is in Japan while serving in the Navy.

Petty Officer 2nd Class Sara Sexton is a mass communication specialist serving with Commander, Task Force 70, forwarddeployed to Yokosuka, Japan. She is responsible for telling the Navy's story through a variety of media outlets.

Sexton said she is proud to serve in the Pacific and fondly recalls memories of Cedar Park.

"Growing up I learned respect for others and I think that's very important because there is so many different backgrounds and personalities you have to work with," she said.

With more than half of the world's shipping tonnage and one-third of the world's crude oil passing through the region, the United States has historic and enduring interests in this part of the world.

Sexton said she is proud of coordinating an entire tour for the Second Lady of the United States, Karen Pence.

"Serving in the Navy gives me an opportunity to travel and be an ambassador for the United States in the various countries we visit," she said.

"You make a difference every day," said

Deputy Commander, U.S. 7th Fleet Joey Dodgen said they are "the most prepared, highly trained and the most capable force in the Indo Pacific."

"Our carriers, amphibious assault ships, aircraft and most importantly, our people, are ready today to face regional challenges and lead our Navy's forces in this theater, just as the officers and Sailors of 7th Fleet have done for 75 years. So thank you for all that you do," he said.

Seventh Fleet, which is celebrating its 75th year in 2018, spans more than 124 million square kilometers, stretching from the International Date Line to the India-Pakistan border; and from the Kuril Islands in the North to the Antarctic in the South.

Seventh Fleet's area of operation encompasses 36 maritime countries and half of the world's population with between 50-70 U.S. ships and submarines, 140 aircraft and approximately 20,000 sailors. Reprinted from The American Statesman, April 18th issue
