GUIDELINES GOVERNING STUDENT CONDUCT:

The guidelines are developed for the safety of all students who ride the school van as well as the well-being of the drivers who transport our students on a daily basis to and from school.

A student riding an SCA van is under the supervision of the school the same as if he/she is in the school building or on the school grounds, and therefore, is subject to the student disciplinary policies outlined in the student handbook. Please discuss the following information with your child, and **sign** and **return** the designated portion of this document to the front office.

Students must stay seated, facing forward and sitting still for safety. The van driver may assign seats to maintain order in the van.

Keep the aisle clear of backpacks, lunchboxes, purses, and knees.

Keep hands and feet to yourself, and unkind words are not tolerated. Hands, arms and heads are to be kept inside the windows at all times.

Use inside voices in the van, loud talking and other noises are a distraction to the driver.

Do not tamper with emergency doors or windows, write, scratch, or mark on van seats (i.e. seat upholstery).

No food, drink (except water), or gum allowed on van. All trash must be placed in trash can at the front of the van.

Items left on the van will be taken to lost and found.
