Place Lunch Orders

Lunch orders for the week can be made starting on Sundays. This is done online through your FACTS account. Visit the [Cafeteria Menus & Ordering Information](#) page on our website to learn more about placing orders and to view menus. Breakfast is also available weekdays 7:30 – 7:55 am and does not require a pre-order.

Secure School Supplies

Pre-ordered school supply kits will be in student classrooms at Back to School Night. Those purchasing supplies can find [teacher requested items on lists linked here.](#)

Review Student Handbooks

Details on attendance, academics, technology use, discipline and more can be found in the [Elementary Handbook](#) and [Secondary Handbook](#).

Know Drop-Off & Pick-Up Procedures

The [Drop-Off & Pick-Up Map](#) shows where each grade should be let out of the car and picked up each day. Drivers of elementary students need to display the car tag provided at Back to School Night on the left side of their car windshield when picking up. If younger students need help strapping in at pick up, please pull into the Building 6 parking lot to help your student.

Dress To Code

Students are expected to dress in uniform the first day of school. The Summit [dress code](#) is available on the website. Uniform pieces containing the Summit logo can be ordered through [Dennis Uniform](#). Use the school code VSU.

Enroll In Aftercare, If Needed

Summit offers childcare after school until 6:00 pm on full and half school days. The cost is \$450.00 per month per child. A drop in rate of \$13 per hour is also available. Learn more here: [Aftercare Program](#).

Update Student Info In FACTS

[Login to FACTS](#) (Summit's enrollment management system) and ensure your student's information is correct. Start by selecting Web Forms under the School heading. Next, select the Family Demographic Form and verify the following are up-to-date:

- Address & Phone Numbers
- Emergency Contacts
- Transportation Authorizations
- Student Medical Information*

*If applicable, please also complete and provide to Nurse Chelsea [food allergy](#) and [asthma](#) action plans.

Save The Date for School Pictures

Tuesday, August 29 is fall school picture day. Individual photos will be taken of students wearing uniform attire. (There is an opportunity in the spring for individual pictures in plain clothes.)
