# Health Information & Expectations

## Health

Parents will be notified immediately to pick up any camper who develops a temperature or shows signs of being ill. For more information and our guidelines for returning to camp, please review our health policy.

A child with fever or illness symptoms must be fever and symptom-free for 24 hours (without the aid of fever or symptom reducer). This includes vomiting or diarrhea.

## Expectations

Campers are required to conduct themselves in a manner that honors the Lord. We will be encouraging campers to talk, listen, apologize, and forgive. When necessary, time-out may be used, as well as loss of other privileges. If an issue arises that requires a more serious disciplinary response, parents may be contacted to come pick up their camper for the remainder of the day.
