

Senior Early Release Form

Parents & Students,

It is our desire that students take full advantage of the educational opportunities provided at Summit Christian Academy. However, Seniors who are not scheduled for an Elective 2 class (2:55-3:40pm) may leave early with parent permission on file in the office.

In partnering with families to ensure student safety, SCA requires students with early release to sign out daily in the main office. If students take advantage of early release, they should leave campus and not return during school hours unless participating in athletics or extracurricular activities.

To qualify for early release students must meet the following stipulations:

- The student must be a Senior.
- The student must have this written permission form on file in the front office.
- The student must sign out at the school office each day before leaving campus.
- The student must leave campus after their final class (2:50pm).
- The student is not allowed to “hang out” on school property during school hours.

If your student is involved in after school activities, we suggest they do not participate in early release and enroll in a study hall to eliminate the need for them to leave campus for a short amount of time before returning for an after school practice or rehearsal.

Student Name: _____

I request that my student be released after their last academic class of the day (2:50pm).

Parent Signature _____

Date _____

I understand and agree to abide by these policies and guidelines.

Student Signature _____

Date _____
