

The SOAR Center Enrollment Form

2026-2027

Learning Center Specialist: Natalie Lark, CALP nlark@summiteagles.org

Student Name: _____

Grade Level (26/27) : _____

Learning Challenge/Diagnosis: _____

Area of Focus for Intervention: _____

Math Intervention: Students who need extra support to master concepts ranging from number sense to problem-solving, number and operations, measurement, geometry, expressions and equations, and more. Individualized or small-group instruction that takes place directly within the classroom. Math specialist collaborates closely with the classroom teacher to align targeted support with daily classroom instruction, ensuring a seamless and cohesive learning experience for your child.

Dyslexia Intervention: Specialized dyslexia support is provided by an ALTA-Certified Academic Language Practitioner (CALP) utilizing the Neuhaus Basic Language Skills (BLS) program. BLS is an evidence-based, comprehensive Structured Literacy curriculum designed to provide intensive, multisensory instruction in decoding, spelling, written expression, and reading comprehension.

Reading Intervention: Our reading intervention program provides targeted support tailored to your child's specific developmental stage and need. Instruction includes building foundational phonemic awareness and phonics skills so students can successfully decode words. As well as advancing reading fluency, vocabulary, and deep comprehension strategies needed for complex texts. Throughout the program, we regularly use Acadience Reading progress monitoring to track your child's growth.

SERVICE REQUESTED (please select below):

- ☐ Dyslexia Intervention: 180 minutes of instructional minutes
\$250 per month
- ☐ Reading Intervention 30 minutes twice per week
\$150 per month
- ☐ Math Intervention/In Class support 30 minutes twice per week
\$150 per month

By signing below, I agree to being charged monthly for the rate above for the support level selected. Participation is a flat rate per month. Charges will automatically process through your existing FACTS account at the beginning of each month for the previous month's services. Billing will begin in October and continue through June for services that start in September through May. I understand I can change my child's enrollment at any time by contacting the SOAR director.

Monthly tuition reserves your child's reserved time slot and dedicated instruction. Because of this, we do not offer make-up sessions, credits, or prorated rates for absences due to illness, school holidays, or school activities.

I also give consent for my child to leave class and attend the Center, if applicable.
