SOAR TOGETHER

2026 FUND DRIVE

$100,000

To support campus building improvements and transportation.

November 2 – December 31, 2026

Eight weeks to join the fundraising team and help SCA soar into the future.

Online Giving Campaign

Students and families will use an SCA designated Fund-Teams link to establish a fundraising page to share with others. There are no products to sell.

Together, We're Building Summit's Future.

Our annual Soar Together Fund Drive is a simple, online giving campaign. No products to sell, just an opportunity to invite family and friends to support the mission of SCA. Your gifts will help grow and strengthen our school for today's students and for future generations.

DIRECT IMPACT:

Our Fall Fundraiser has always supported projects and upgrades that directly benefit our students. Through your generosity, we've added a sport court, upgraded technology, renovated elementary classrooms, installed a new gym floor, purchased school transportation, and more—helping students learn, grow, and thrive.

WHAT WE'VE ACCOMPLISHED TOGETHER

$1,200,000+

RAISED IN EIGHT YEARS

Because of the Lord's faithfulness and the generosity of our community, Summit has raised more than $1.2 million over the past eight years. These funds have kept our tuition affordable and have gone right back toward improvements that bless our students and teachers.

EXAMPLES OF SUCCESS:

SPORT COURT

UPDATED ELEMENTARY CLASSROOMS

NEW WEIGHT ROOM

WHERE WILL THIS YEAR'S GIFTS GO?

Your support will help fund campus building improvements and transportation, including:

CAMPUS BUILDING IMPROVEMENTS

Renovations and upgrades to strengthen our campus, enhance the student experience, and prepare for future growth.

TRANSPORTATION

A potential new van to expand transportation opportunities for students, athletic teams, and school programs.
